THE KEEPSAKE COLLECTION

RAKHI 2026

THE MEKABI RAKHI KEEPSAKE COLLECTION

Some relationships aren't built in a day they're woven, slowly, over years of small moments.

This Rakhi, Mekabi presents a collection rooted in that same care: **bonds that are careful, considered, and built to last.** Every basket is a keepsake, not just packaging designed to outlive the occasion and **stay in your home** long after the mithai is gone. Each one is handwoven from water hyacinth by **local women artisans** in the tribal regions of Assam, carefully curated piece by piece. **Just like sibling relationships**, weathered, evolving, yet always recognizably themselves this collection is made to stay with you, quietly reminding you of the bond it was made for.

Built on Fights. Held Together by Love.

THE ART OF THOUGHTFUL GIFTING

Some gifts are bought in a hurry, beautifully wrapped, yet easily forgotten. At MEKABI, we believe every gift should tell a story. Each hamper is thoughtfully handcrafted and carefully curated to celebrate the relationships that matter most. From premium materials to elegant details, every piece is designed to express love, gratitude, and appreciation.

Whether it's Raksha Bandhan, a wedding, a birthday, an anniversary, or a heartfelt thank you, our hampers help you say what words often cannot.

Unlike mass-produced gift boxes, every MEKABI hamper is created with intention, making each gift feel personal, meaningful, and unforgettable.

Because the most treasured gifts aren't defined by their price—they're remembered for the thought, care, and love behind them.

Crafted with Care. Curated with Purpose. Gifted with Love.
